Employment Posting

Job Title: **HIAB/Crane Truck Driver** Closing Date: **Until filled**
Department: **Main Yard** Position Start: **ASAP**
Status: **Full Time, Permanent**

*We are looking for a motivated individual to join our team as a **HIAB/Crane Truck Driver**. If you believe that your skills and experiences align with who we are looking for, we encourage you to apply today!*

About Country Lumber:

Country Lumber is a family-run company that began in 1981 with 2 employees, and now it is home to over 130 knowledgeable employees. With the simple goal of providing unparalleled service to our great community, we are proud to provide our clients with the comfort of working with friendly and familiar faces, project after project.

We have long-standing roots in our community. As the Lower Mainland has grown, so have we. With the same focus today as when we began, Country Lumber is dedicated to delivering high quality, sustainable products at competitive prices. This along with our valued relationships with our customers and vendors has allowed us to grow to where we are today.

Position Overview:

A Crane Truck Driver's main responsibility is to operate a Country Lumber crane truck in a safe, efficient & professional manner while delivering construction related materials to residential, commercial and/or industrial customers' sites while providing a positive customer experience.

Principal Responsibilities:

- Operating HIAB cranes within BC Association for Crane Safety operational standards.
- Operating trucks and their equipment with capacities of more than 3-tons to transport and deliver supplies and materials, while securing cargo during transport and at worksites.
- Maintains cell and/or radio contact with Shipping Manager throughout the day regarding alternative locations and instructions.
- Process truck logs and record of materials/ supplies transported, along with other paperwork.
- Conduct pre-trip truck inspections to ensure truck and crane is operating properly and notifying management for any required repairs or maintenance.
- Other duties as assigned by management.

Knowledge Skills and Abilities Required:

- Hiab Certified with Class 1 or 3 license, with 1 or more years' experience.
- Knowledge of principles and practices of highway safety, risk management, and HIAB operation.
- Able to access the area to determine what crane operations need to be done or avoided due to safety concerns or restrictions, i.e. powerlines, job site conditions, crane extensions limitations, soil conditions, embankments, & underground utilities.
- Strong eye-hand coordination, depth perceptions and finger dexterity required for precise operation with crane remote control.
- Ability to recognize different handling techniques required for various products, i.e. cement siding versus plywood or dimensional lumber, where chains may be used as opposed to slings
- Enter, transcribe, record, and maintain information in written form.
- Ability to lift over 50 pounds from floor or shelf and carry up to 150 feet.
- Ability to pull up to 20 pounds of force when tightening straps with ratchet lever, with full range of shoulder motion and extension.
- Must be able to work up to 8 hours a day, 5 days / week including overtime and Saturdays as required. (No Sundays).

Working Conditions:

- Subject to weather extremes: hot, cold, snow, rain, wind.
- Flexibility of time required to accommodate operational demands.
- Due to the nature of this role, this can be a physically demanding position.

Compensation:

- Full Health & Dental Benefits including vision care, life insurance, and disability insurance and the ability to participate in Country Lumber's RRSP Match Program upon successful completion of 3-month probationary period.
- Employee Assistance Program.
- Employee appreciation events such as BBQ's, catered lunches, and food trucks!
- Educational Assistance Program to support your evolving career needs.
- Semi-Annual Profit-Sharing Bonus.
- Casual Dress.
- Competitive rates based on related experience.

Contact:

- If interested in this position, please submit a copy of your resume and cover letter to hr@countrylumber.ca
- Candidates selected for further review and / or interview will be contacted by email or phone.
